6th of April 2022

We are pleased to announce that Uni Finance ApS has been acquired by UK based ROI Media Ltd. By April 1st 2022 ROI Media has acquired 100% of the shares from Stolc Holding ApS and Dotcom Capital.

Uni Finance is specialised in financial lead generation in Scandinavia and was founded in 2018 by Allan Stolc. In 2019, Uni Finance joined the Dotcom family.

Allan Stolc on the transaction:

"I have truly enjoyed the journey along with co-workers, partners and clients throughout the years. A special thanks to the Dotcom Capital ApS family for taking Uni Finance under its wings, and looking forward to help strengthen ROI Media's position in the Scandinavian market. I will be continuing my tireless efforts in Bankly.dk in the future, with the best team around."

Allan will continue working with Dotcom Capital on building Bankly.dk, which was carved out of Uni Finance prior to the sale.

A big congratulations to ROI Media on the acquisition.
